

Words from Our Pastor

God has reminded me that he does his best work when things seem to be at its worst. When we feel all hope is gone and when nothing seems to be going right. When the pantry is bare and the job prospects seem gloomy. Or when the numbers have diminished to the bare bones! When we really get desperate, we call on the Lord because we have no where else to go. It is in that space that we cry out with sincerity and with the faith to believe he will move on our behalf because He is our last hope. It is then that he moves! Not because of being desperate does He move but because we believe that He will move and we confess our belief with our mouth.

What would happen if we chose to trust God to see us through from the beginning and matched our confession with our belief! After all, that is what he tells us over and over again to do. So this month, may we talk to the Lord first about our situation.

Our Prayer Focus this month

This month let us pray for Purpose. What is Walls Chapel A.M.E Zion Church called to do? What is our cause that we should fight for? After praying and fasting, share with the pastor what God shared with you?

Special Thanks!

Women and Men's day was well attended and received. Thank you to everyone who gave, participated or contributed in some way. We are a community striving to reach the high calling together.

Scripture: Words to Meditate on

Romans 8: 28 And we know that in all things God works for the good of those who love him, who have been called according to his purpose. 29 For those God foreknew he also predestined to be conformed to the image of his Son, that he might be the firstborn among many brothers and sisters. 30 And those he predestined, he also called; those he called, he also justified; those he justified, he also glorified 31 What, then, shall we say in response to these things? If God is for us, who can be against us?
