

Words from Our Pastor

Happy Fathers Day to all fathers, step fathers and God Fathers. May God enlighten your path as you guide the next generation!

As we prepare for our Annual Conference, we are preparing to end one year and begin a new one. With any transition it is a time of reflection. Over the past year, I feel like I have grown as a leader, as a Pastor, as a Christian. It is my hope and prayer that you too can see growth because of who you are in Christ.

At the Annual Conference my role of Pastor will be either assigned back to me or reassigned to another. I believe I will be back but I leave room for Gods will. So either way, know that your pastor appreciates and loves each of you. I see the Father in you! I am also grateful to each one of your for serving and using your God given talents to contribute to this ministry. It takes all of us to move forward.

With this next conference year, we will move out and touch our community with the intent of reaching some. I believe this is an opportunity to remind everyone that we are still hear and we have much to offer! If you are not already serving, consider how God made you. There is something you are suppose to do and only you can do it.

Continue to pray for our church, our community, and one another.

Peace!

Your Pastor,

Rev. Deborah A. Johns
