Bible Study

Join us for online Bible Study, Wednesdays at 7Pm at 605-475-4718 Access code: 437652

The Church Remains Closed

The AME Zion Board of Bishops have asked that all AME Zion churches remain closed until further notice due to COVID-19! However, it is my hope that we will reopen the first Sunday in July with our masks and maintaining the 6 feet distancing requirements.

Happy Father's Day!

June 21, 2020 - to all of our fathers, step-fathers, and wanna be fathers!

Annual Conference

♦Will be held June 11-13, Thursday through Saturday from 10 am to 2 pm each day via zoom. Please check your email or groupme text each day for the correct zoom.

♦In addition, all conference directors are asked to submit your reports no later than June 7 to Rev. Dr. Ingrid Martin at dr.idmartin2015@gmail.com.

♦Registration is \$265 for conference officers. As usual, the church will assist by covering \$100. If you are able, please submit your registration by this Sunday, June 7 via Paypal or you can drop it off this Sunday between 9am-12 noon. If you are not an officer and would like to give an offering in support, please do so.

Communion Sunday

This Sunday is first Sunday. So that we can continue our tradition of remembering our Savior with bread and wine, I am consecrating pre-filled communion cups (wafer and juice) that will be available for you to grab and go starting this Sunday from 9am-12 noon. You may take as many as you need to for you and your family and then read 1 Corinthians 11:23-26 as your share. Please use this as a time to share with your family and friends about Jesus and why we take communion!

A message from the Pastor:

Thank you family for maintaining your diligence in the study of the word by participating in Sunday School, Bible Study and our online services. This is the time to be more diligent for we do not know what will happen but the Word of God increases our faith and gives us a weapon against our enemy.

Please continue to pray for one another, the universal church, our communities and the world that we live in because the prayer of the righteous avails much! I believe it is the believers that keep the world from spinning out of control. So pray on!
